THE IVORY PEACOCK BAR

OUR STORY

The Ivory Peacock opened its doors in late 2022, following a complete transformation of the space once home to the beloved Flatiron Hall Bar. Our vision was to create an elegant cocktail bar with a relaxed, approachable spirit—a place where exceptional food, inventive cocktails, and a curated selection of wines, beers, and spirits come together in perfect harmony.

From the outset, music, lighting, and ambiance were central to our mission. We wanted guests to feel at ease the moment they stepped inside—to linger over a drink, share conversations with friends and family, and enjoy time well spent in a warm, welcoming environment.

We take great pride in authenticity and originality. Our world-class gin collection, with over 1,000 bottles, is among the largest in the world. Our in-house cocktail list is crafted with care, and our decor tells its own story. Many of our wall sconces and crystal chandeliers once graced the historic Waldorf Astoria Hotel on Park Avenue, while the four grand brass chandeliers in the main bar hail from the nearby NoMad Hotel. Every Louis XV gilt mirror adorning our walls—save for one—is an original from 18th-century France. The artwork, too, is entirely original, featuring signed pieces by celebrated Irish artists such as Jack B. Yeats, Evie Hone, Francis Bacon, Louis le Brocquy, John B. Yeats, Marie Devlin, and William Butler Yeats.

We are honored to welcome you. We invite you to explore our gin collection—the second largest in the world, after Atlas Bar in Singapore. Our six-pour Gin Tasting, priced at \$85, changes monthly and offers both an educational and thoroughly enjoyable journey through the world of gin.

If, for any reason, your experience is anything less than perfect, please let our manager on duty know so we may make it right immediately.

With gratitude,

The Ivory Peacock Team

THE END OF SUMMER GIN FLIGHT (6 GINS, \$85)

Bimini “Coconut Gin”

Style: Contemporary, ABV: 47%

- Region: Maine, U.S.A
- Background: Owners and Master distillers Kristen and Darren bring extra virgin coconut oil to a warm state where it becomes liquid. The oil is then mixed with the gin and cooled. When the oil solidifies the gin is strained out, what remains is a rich textured gin with a delicate coconut aroma.
- Tasting Notes: Grapefruit Peel, Hoppy, Floral, Citrusy.

Sweet Gwendoline Gin

Style: Contemporary, ABV: 40%

- Region: South France
- Background: Sweet Gwendoline French Gin is a new world gin infused by Figue De Solliès, a type of fig which is sourced in the south of France. The figs are round in shape and large, the gin is finished with French Moscatel white wine. Other botanicals include Juniper, Angelica seed, coriander, cardamom, sweet orange, lemon, and lime.
- Tasting notes: On the nose it smells of Citrus, fresh pear, and white wine. On the palate it starts off very bright with orchard green apple flavors that develop into a citrus/earthy finish with the underlying note of the figs.
- How to Drink: G&T with lemon peels. French 75.

Le Gin de Christian Drouin

Style: Contemporary/New World, ABV: 42%

- Region: Normandy, France
- Background: Calvados is a brandy that is made from apples or pears that originated in Normandy France. It's aged in oak barrels for 2 years, & is rich with fruit flavors. Christian Drouin is one of the best calvados makers in the world, and has created a beautiful gin by incorporating calvados into it. Le gin is the only gin incorporating 30 different cider apple varieties and 8 different aromatics. Botanicals include: Rose, Lemon, Ginger, Lemon, Vanilla, Cinnamon & Almond.
- Tasting Notes: The 30 different apple varieties are the stars of the show here. Besides that, the rose and lemon add a delicate balance to all the fruit. There is some nuttiness that comes through on the finish. Hints of vanilla and cinnamon add a warm effect to the gin. This is one of those gins that can be enjoyed by itself, in a spirit forward stirred cocktail, or a shaken citrusy cocktail.

THE END OF SUMMER GIN FLIGHT (6 GINS, \$85)

Tanqueray Rangpur Lime

Style: Contemporary/New World/ Fruit, ABV: 41/3%

- Region: London, England
- Background: Tanqueray Rangpur is meant to highlight the rich yet rare Rangpur lime. There is some harmony in the balance with the zestiness of the rangpur lime and sweet juiciness of the mandarin. This variation of Tanqueray was first introduced in 2006 by adding rangpur lime from Bangladesh with ginger and bay leaves to Tanqueray's premium London Dry Gin.
- Tasting Notes: Zests of lime balanced with the profile of Tanqueray london dry. Hints of mandarin, ginger and bay leaves add depth and richness. This gin is more of a citrus gin but the juniper and floral notes are subtle in the background. The finish is smooth, best enjoyed in a tom collins or with tonic water.

Beyond Distilling Tropical Gin

Style: New World/Contemporary, ABV: 45%

- Region: South Carolina, USA
- Background: starts as a London-style dry gin, then takes a left turn into ripe fruit territory—think pineapple, mango, melon, and papaya. It works great in a gin and tonic. Try it with soda water and lime, or in a spritz with something bitter. Bronze Medal winner at the San Francisco Craft Spirits Competition.
- Tasting Notes: Bright, botanical spirit that nods to tradition while pushing into new, juicier ground. Notes of mango, pineapple, strawberries and apricot.

Empress 1908 Elderflower Rose Gin

Style: Contemporary/Fruit Flavored, ABV: 42.5 %

- Region: British Columbia, Canada
- Background: From the makers of perhaps the world's most famous color changing gin, Empress 1908 has expanded its product line with a rose and elderflower variety. The vibrant crimson hue is the result of maceration of both rose petal and black carrots. The colors are photosensitive so the exact hue of your bottle might vary based on its time on the shelf/in the sun.
- Tasting Notes/Botanicals: Hints of sweetness and spice. A touch of woody, sweet cinnamon, bold juniper rose on the nose. It's complex and slightly floral, more fruit forward. Elderflower and pine-forward juniper come through on the mid-palate Beautiful texture and rich, soft mouthfeel. This gin has a dry finish but not too warm. Botanicals include - Black carrot, cinnamon, coriander, elderflower, juniper, lavender, orris root, orange and rose.
