# THE IVORY PEACOCK BAR

## OUR STORY

The Ivory Peacock opened its doors in late 2022, following a complete transformation of the space once home to the beloved Flatiron Hall Bar. Our vision was to create an elegant cocktail bar with a relaxed, approachable spirit—a place where exceptional food, inventive cocktails, and a curated selection of wines, beers, and spirits come together in perfect harmony.

From the outset, music, lighting, and ambiance were central to our mission. We wanted guests to feel at ease the moment they stepped inside—to linger over a drink, share conversations with friends and family, and enjoy time well spent in a warm, welcoming environment.

We take great pride in authenticity and originality. Our world-class gin collection, with over 1,000 bottles, is among the largest in the world. Our in-house cocktail list is crafted with care, and our decor tells its own story. Many of our wall sconces and crystal chandeliers once graced the historic Waldorf Astoria Hotel on Park Avenue, while the four grand brass chandeliers in the main bar hail from the nearby NoMad Hotel. Every Louis XV gilt mirror adorning our walls—save for one—is an original from 18th-century France. The artwork, too, is entirely original, featuring signed pieces by celebrated Irish artists such as Jack B. Yeats, Evie Hone, Francis Bacon, Louis le Brocquy, John B. Yeats, Marie Devlin, and William Butler Yeats.

We are honored to welcome you. We invite you to explore our gin collection—the second largest in the world, after Atlas Bar in Singapore. Our six-pour Gin Tasting, priced at \$95, changes monthly and offers both an educational and thoroughly enjoyable journey through the world of gin.

If, for any reason, your experience is anything less than perfect, please let our manager on duty know so we may make it right immediately.

With gratitude,

**The Ivory Peacock Team**

## THE PEACOCK GIN FLIGHT (6 GINS, \$95)

### *Illusionist Gin*

- Style: Contemporary
- ABV: 45%, Region: Munich, Germany
- Background: Born in Munich in 2015, The Illusionist Dry Gin redefined expectations of what a contemporary gin could be. Crafted from 16 organic botanicals, it delivers a flavor-first experience. Complex, layered, and unmistakably distinctive.
- Tasting Notes: A fragrant interplay of Mediterranean rosemary, lavender, and chamomile lends aromatic freshness, while orange, grapefruit, lemon, and cranberries introduce a vibrant citrus-fruit dimension. Mace, licorice root, and lemongrass bring structure and warmth, rounding out the composition with elegant depth. The main botanical is butterfly pea flower which gives the gin that beautiful indigo color.

### *IL Dottore Gin*

- Style: Contemporary
- ABV: 40%, Region: Piedmont, Italy
- Background: Il Dottore Gin is a premium Italian craft spirit, distilled in piedmont, and inspired by Il dottore: a doctor, traveler, and a community builder. The gin is vibrant and bursts with bright juniper and zesty citrus notes. The batch only produces 9,000 bottles, ensuring that each gin is of the highest quality.
- Tasting notes: Juniper leads with coriander, citrus, and soft herbs. Cardamom and angelica add warmth and delicacy. Smooth, balanced, and silky with a clean finish—light to medium body, ideal for Martinis and Negronis.

### *Three Cuts Gin*

- Style: New world/ Dry Contemporary
- ABV: 42%, Region: Tasmania, Australia
- Background: A bold dry gin that's citrus forward with layered notes of green cardamom, Tasmanian lime, lemon, juniper, coriander and a hint of peppercorn. This is a full bodied gin that has a big mouth feel and is spice forward. The finish is very citrus forward and has a delicate balance of cardamom and coriander.
- Tasting Notes: Generous citrus bouquet, with strong tones of cardamom and juniper. The finish is balanced and long, perfect for hearty and rich cocktails.

## THE PEACOCK GIN FLIGHT (6 GINS, \$95)

### *HA'PENNY Gin*

- Style: Contemporary Dry
